

SuperValu Real Rewards for O'Dwyers

Dear Member/Parent/Supporter/Friend

As part of the Real Rewards Scheme in SuperValu, our Juvenile Sponsor has agreed to give O'Dwyers a dividend on each transaction over €10 when a Real Reward Key Fob is used, and the holder has agreed to become a participant in the Club Scheme.

Participation does not, in any way, affect one's own Real Reward advantages, as the Club's scheme is completely separate.

If you are a Key Fob holder, and are willing to participate, please fill in the details on the reverse and return to any mentor, member of the juvenile or executive committee or to myself.

If you are not a Key Fob holder, but would like to have one and benefit personally, and also help benefit the Club, please indicate on the form on the reverse and return it to any of the above mentioned, and we can provide you with an application form.

Thanking you, in advance, for your support.

Is mise le meas,

Póilín Bean Uí Ír
